YES on 62 Interfaith Prayer Service

Wednesday, October 19

6-7pm

Trinity Cathedral

81 N. 2nd St., San Jose

Join with Christians, Hindus, Jains, Jews, Zoroastrians, Muslims, Sikhs, Quakers and others in an Interfaith Prayer Service for Prop 62 to raise our voices in support of abolishing the death penalty in California.

We are putting our faith into action—acting on our sense of compassion and on our belief in the sanctity of life. Prop 62 replaces the death penalty with a strict life sentence in prison, and saves taxpayers \$150 million per year. Prop 62 inmates will be required to work and pay restitution to victims' families. It's time to end this failed system, and replace it with a more just and responsible approach.
